# The Lacrosse Academy Is A Teaching Camp

The Lacrosse Academy has been building confidence, skills and motivation in players for 30 years. We are the preferred camp among high school and youth lacrosse coaches throughout the mid-West and mid-Atlantic because we provide a proven teaching program for ages 10 to 18. We have coaches who excel at teaching and elevating each camper's game. Visit our website for complete details.

## Benefits of The Lacrosse Academy

There are three types of lacrosse camps; **showcase camps**, **team camps** and **teaching camps**. Choose a camp to meet your player's needs.

### One-On-One Private Lessons

We originated one-on-one private lessons.

### 7:1 Player-to-Coach Ratio

The best college coaches, high school coaches and collegiate players dedicated to teaching lacrosse.

### Individual Teaching Progression

Individual evaluations with daily progression of all aspects of play.
